Mr. Ryan Lutnick
Game Knights
110 East 59th Street
New York, NY 10022

Dear Ryan,

On behalf of our entire Child Life staff, we would like to extend our gratitude for your generous donation of games and toys to our pediatric patients this summer. The continued support from Game Knights is something that all our patients and clinicians look forward to.

As you all witnessed during your visit here, the hospital can sometimes be an intimidating place for our young patients. But, the friendly faces of special volunteers, like yourself, can make the day a bit brighter for everyone who comes to us for care. Your gifts will provide endless entertainment for those patients that visit our playrooms and need a break in their day. Within our playroom walls, kids can continue to imagine, play and just be kids.

Ryan, thank you again for visiting, along with Sam and Jack. We look forward to working with you again in the future!

Sincerely,

Megan Tomkins
